

In 2011 the GDUSBC – with the help of the Greater Danbury area businesses and donators – we donated just under \$12,000 to

The Susan G. Komen Cancer Foundation. Bowl for the Cure®

a year-round fundraising and awareness initiative organized by the United States Bowling Congress in support of the Susan G. Komen Breast Cancer Foundation. Bowlers around the United States organize tournaments, bowl-a-thons, raffles, auctions and more each year to support Bowl for the Cure®. We had 102 participants and gave away hundreds of raffle prizes that were donated by local businesses. Brookfield Lanes can accommodate 192 bowlers—we would like to FILL the center for this event in 2011!!

To bowl, sponsor, or contribute to Bowl for the Cure®, check our website at www.greaterdanburyusbc.org and click on the Bowl for the Cure tab. All contributions or donations must be made by April 1, 2012 to be recognized on our sponsor poster and

United States Bowling Congress
The United States Bowling Congress is a member of the [Komen Million Dollar Council](#), a special group of corporate partners. In addition to a financial contribution of at least \$1 million, each of the organizations in the Million Dollar Council has found new and innovative ways to spread two important messages: early detection saves lives and only through research can we find a cure. The United States Bowling Congress, as the national governing body, ensures the integrity and protects the future of the sport, provides programs and services and enhances the bowling experience.

USBC officially launched Jan. 1, 2005, as an organization serving nearly three million adult and youth bowlers in the United States. It resulted from the merger of the American Bowling Congress, Women's International Bowling Congress, Young American Bowling Alliance and USA Bowling.
